

Antenatal Breastfeeding Consultation Fees

These appointments can be done as a home visit or a telehealth video consultation.

For telehealth consultations, Medicare rebates apply if you have seen me face-to-face in the past 12 months.

	Private Fee	Approx Medicare Rebate
Antenatal Home Visit Consultation	275.00	263.70*
Antenatal Video Telehealth Consultation	265.00	202.65*

*Rebate amount will depend on the time of the consultation and patient eligibility

If you have an Antenatal Breastfeeding Consultation and want a home visit after your baby is born, you would be eligible for the reduced 'Follow Up' rate.

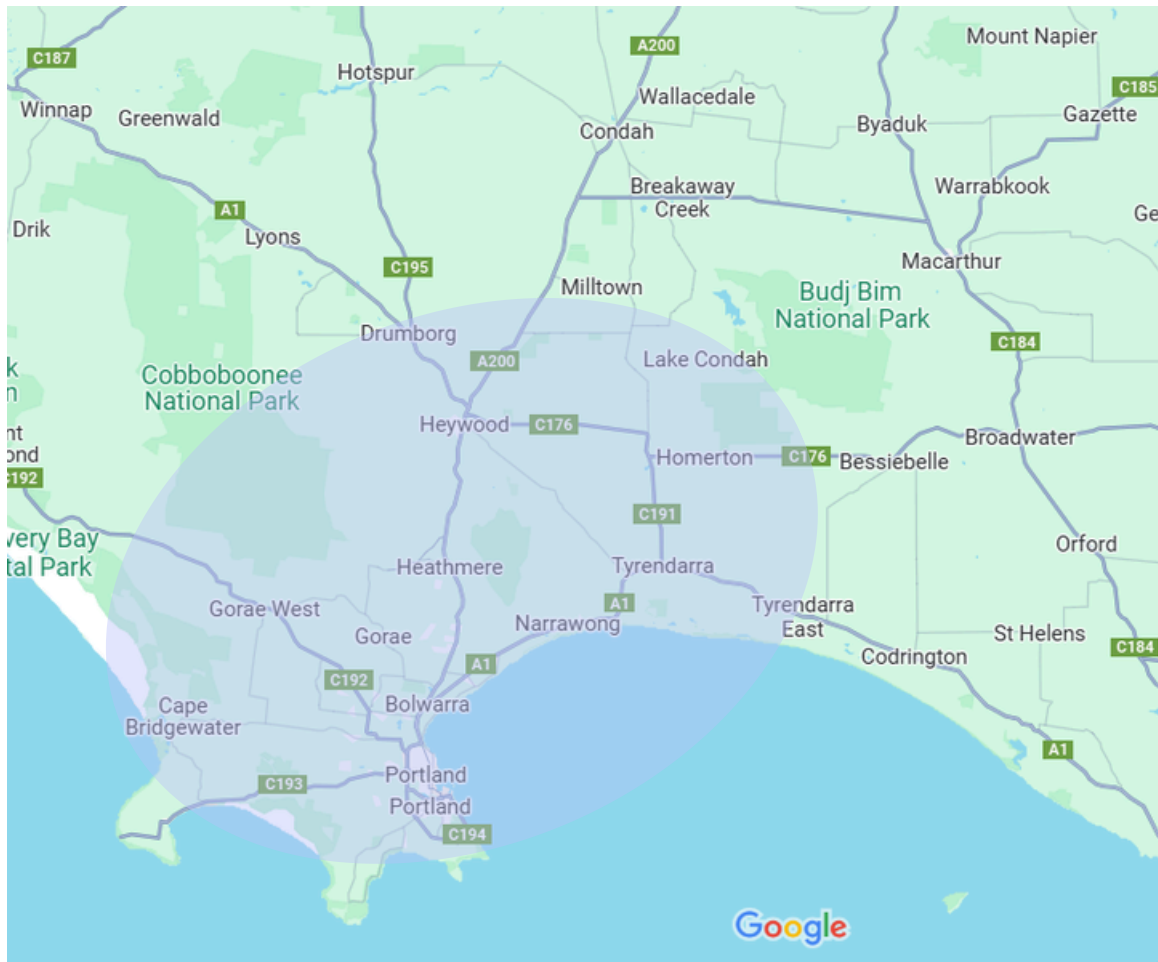

Partners are very welcome to attend. Please make a list so I can answer all of your questions.

Travel Fees

Due to rising fuel costs, there is an additional travel fee for longer distances.

For home visits within the shaded area shown, no additional fee applies.

Outside of this area, there will be an additional fee (distance calculated from Heywood or Tyrendarra depending on the direction travelled):

- Up to 20km - \$35
- 20 - 40km - \$55
- 40 - 60km - \$75
- 60 - 80km - \$95
- 80 - 100km - \$115
- 100-120km - \$130
