

Six Week Check Home Visit Fees

Please ensure you have registered for the Extended Medicare Safety Net, which reduces your out of pocket expenses. Your rebate increases to approximately 80% of the total fee.

If you have had IVF or paid for a private Obstetrician, you will have likely met the Extended Medicare Safety Net (EMSN).

	Private Fee	Approx Medicare Rebate
Fee for Mum	180.00	59.25-140.45*
Fee for Baby	Bulk Billed (No out of pocket cost as long as Medicare details are provided within 30 days of appointment)	

*Rebate amount will depend on the division of time needed for mum and baby

Six Week Checks At Home Can Include:

- Full postnatal wellbeing check for mum
- Baby weight and check-up
- Breastfeeding consultation
- Full oral functional assessment (including checking for oral ties)
- Support with expressing and storing milk
- Help with settling and sleep
- Arranging investigations, medications or referrals as needed

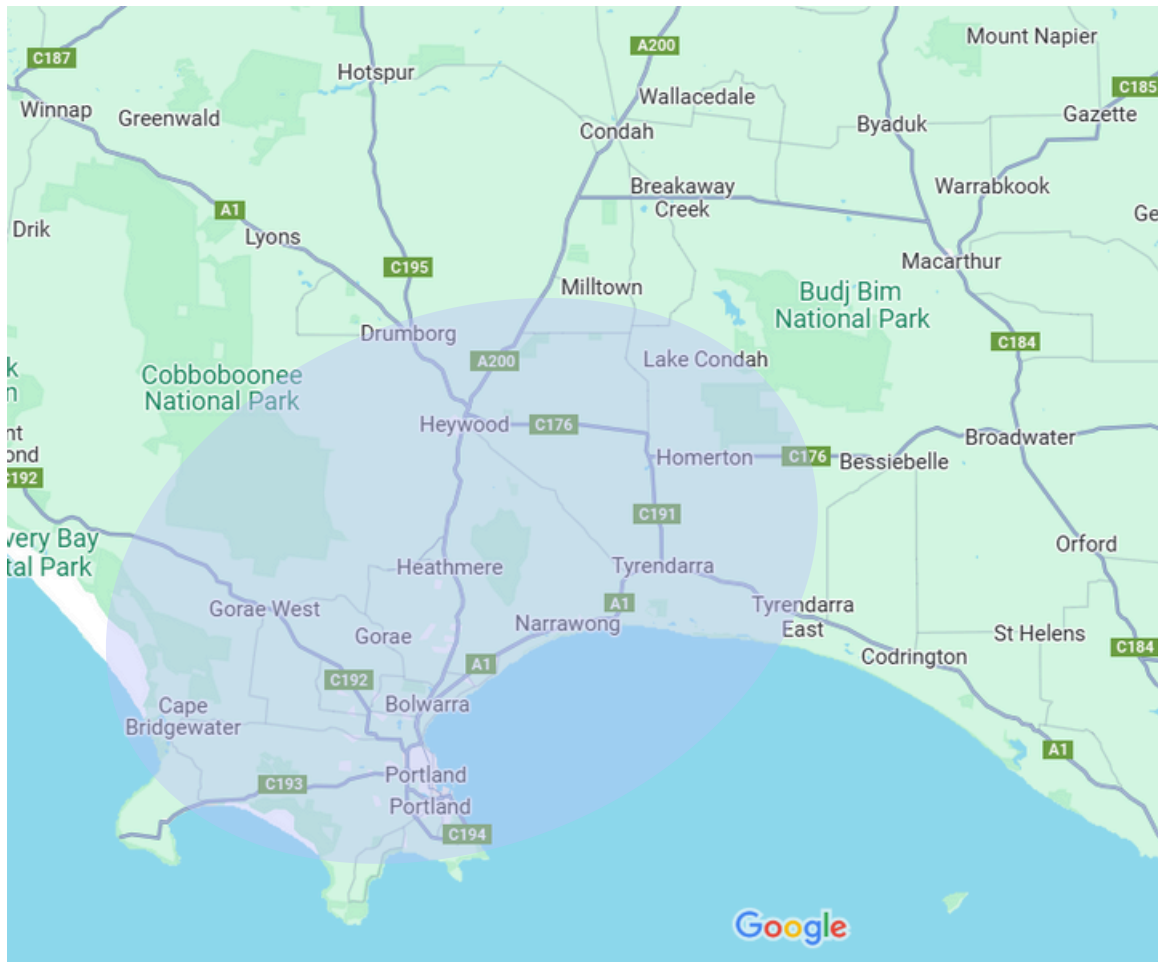

For safety reasons, I am unable to provide immunisations within a home visit, but there can be arranged with the MCHN or GP clinic

Travel Fees

Due to rising fuel costs, there is an additional travel fee for longer distances.

For home visits within the shaded area shown, no additional fee applies.

Outside of this area, there will be an additional fee (distance calculated from Heywood or Tyrendarra depending on the direction travelled):

Up to 20km	- \$35
20 - 40km	- \$55
40 - 60km	- \$75
60 - 80km	- \$95
80 - 100km	- \$115
