Home Lactation and Sleep Visit Fees

Please ensure you have registered for the Extended Medicare Safety Net, which reduces your out of pocket expenses. Your rebate increases to approximately 80% of the total fee.

If you have had IVF or paid for a private Obstetrician, you will have likely met the Extended Medicare Safety Net (EMSN).

	Private Fee	Approx Medicare Rebate
Initial Home Visit (1-2 hours) Fee for Mum	250.00	80.10-191.20*
Follow-up Home Visit (up to 1 hour) Fee for Mum	150.00	41.40-118.00*
Fee for Baby	Bulk Billed (No out of pocket cost as long as Medicare details are provided within 30 days of appointment)	

*Rebate amount will depend on the division of time needed for mum and baby

Home Lactation Visits will Include:

- Full postnatal wellbeing check for mum
- Baby weight and check-up
- Breastfeeding consultation
- Full oral functional assessment (including checking for oral ties)
- Support with expressing and storing milk
- Help with settling and sleep
- Arranging investigations, medications or referrals as needed

All Home Lactation Visits will include a Bulk-Billed follow up phone consultation.
